

Stay Safe from Telecom-Enabled Cyber Frauds

Introducing the updated version of Sanchar Saathi App by The Department of Telecommunications (DoT)

 Over 2.6 crore app downloads |  More than 28 crore portal visits |  Available in 23 languages

Protect yourself from suspected fraud calls and cyber frauds with the **Sanchar Saathi** app.

Key Features:

- Report suspected fraud calls, SMS, and WhatsApp communications. Blocking alone is not sufficient - reporting helps protect everyone.
- Check mobile connections issued in your name.
- Block, trace, and recover lost or stolen mobile handsets.
- Verify the genuineness of your mobile handset.
- Access trusted contact details of Banks and Financial Institutions.
- Stay informed about the latest cyber fraud trends and awareness advisories.
- View near real-time National and State dashboards.

You can now download or update the latest version of the **Sanchar Saathi** app and use it as an additional cyber safety measure.
